Golfing in Oman - go on, indulge yourself!

Golfing in Oman is one of the many surprising delights awaiting you in the Sultanate.

There are five excellent courses in and around Muscat, of which two are 'five-star' rated (one of which features on the European Tour).

Golfers will be challenged by holes running along (and occasionally across) cliff tops, enjoy stunning sea views or spectacular mountain backdrops, luxuriate in quiet fairways and bask in stunning weather.

Sadly, you can't play golf 24/7 so Oman Air Holidays will put together the perfect package for you to get the best out of your time here; whether its exploring the stunning mountains, wadi's and deserts, or stepping back in time visiting the Mosques or Souqs or simply lying by the pool - there's so much to do.

As you would expect of the National Carrier, there is little we don't know about 'all things Oman', however, we also understand that you, as a golfer, will have specific questions and queries relating to the game, the courses, tee times, equipment hire, the best 19 hole etc. So we have partnered with a the very best local golfing expert here in Muscat to answer all your golf related questions. They are happy to give you advice, book tee times, arrange lessons and practically anything else related to the game.

Please use the form for any golf specific questions you may have.
